The Aim of the Development

The aim of the development is to provide much need affordable housing within the high value area of Bransgore.

The Scheme

New Build for General needs
Rent:

- 6 x 1 bedroom flats
- 2 x 2 bedroom houses
- 2 x 3 bedroom houses

New build for Low Cost Home
Ownership:

- 3 x 2 bedroom houses

Key Features

The land was sold to the Association by NFDC and previously housed redundant domestic garages. The garages were becoming a problem in terms of anti social behaviour and dumping of scrap vehicles. Bransgore Parish Council were desperate for an affordable housing scheme within the village and were fully supportive of the scheme. The houses have been designed for a future room in the roof to adapt to the changing needs of the residents.
