Eight Apartments

Total Scheme Cost
£897,500

Total Grant
£567,000

Housing Needs Met
General Needs Rented

The Aim of the Development

To provide eight, two bedroomed apartments to the market in West Devon for use as General Needs rented units.

The Scheme

A self contained block of eight two bedroomed apartments with eight car parking spaces and gardens.

The scheme was also bought with a full freehold entitlement in place.

The site was a former petrol filling station and is centrally situated with good access links in and out of Okehampton.

Key Features

Traditional local design situated in a close to town centre location.
